

BIBLE STUDY HOMEWORK ASSIGNMENT

SEPTEMBER 2, 2026 @ 6:30 P.M. VIA ZOOM

Opening Question: If you could have lunch with anyone in the Bible (not Jesus), who would you invite?

Take some time this week to think and pray about your answer. **Come to Bible Study prepared to tell us who you chose and why.**

Questions to answer and ponder:

1. **Who would you choose to have lunch with?**
2. **Why did you choose this person?**
What is it about their life or story that interests you?
3. **What are three questions you would want to ask them?**
4. **Is there a particular experience in their life that you would want them to tell you more about? Why?**
5. **What would you want to know about their relationship with God?**
6. **What would you ask them about a time when their faith was tested?**
7. **Is there a decision they made that you would like to understand better?**
8. **What would you ask them about something they had to wait on God for?**
9. **What would you want to know about one of their mistakes, struggles, or difficult seasons?**
10. **What lesson from their life do you believe could help you in your life today?**

Dig a Little Deeper

After choosing your person, **go back and read their story in the Bible.** Don't rely only on what you already know about them.

As you read, write down anything that makes you say:

"I would really like to ask them about THAT!"

Be Ready to Share

Come prepared to share:

WHO did you choose?

WHY did you choose them?

WHAT would you ask them?

WHAT do you hope you could learn from them?
